**Caution Concerning Forward-Looking Statements**

Certain information included in this press release may constitute forward-looking information within the meaning of applicable Canadian securities laws. All information other than statements of historical fact may be forward-looking information. Forward-looking information is often, but not always, identified by the use of forward-looking terminology such as “outlook”, “objective”, “may”, “will”, “would”, “expect”, “intend”, “estimate”, “anticipate”, “believe”, “should”, “plan”, “continue”, or similar expressions suggesting future outcomes or events or the negative thereof. Forward-looking information in this press release may include statements with respect to management’s beliefs, plans, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations. Such forward-looking information reflects management’s beliefs and is based on information currently available. The reader is cautioned not to put undue reliance on forward-looking information, as there can be no assurance that actual results will be consistent with such forward-looking information. Guardian Capital LP undertakes no obligation, except as required by applicable law, to publicly update or revise any forward-looking information, whether as a result of new information, future events or otherwise.

This communication is intended for informational purposes only and does not constitute an offer to sell or the solicitation of an offer to purchase Guardian Capital ETFs and is not, and should not be construed as, investment, tax, legal or accounting advice, and should not be relied upon in that regard. Commissions, management fees and expenses all may be associated with investments in the Guardian Capital ETFs. Please read the prospectus before investing. For ETFs other than money market funds, unit values change frequently. ETFs are not guaranteed and past performance may not be repeated. You will usually pay brokerage fees to your dealer if you purchase or sell units of an ETF on the Toronto Stock Exchange (“TSX”) or Cboe Canada Inc. (“Cboe”). If the units are purchased or sold on the TSX or Cboe, investors may pay more than the current net asset value when buying units of the ETF and may receive less than the current net asset value when selling them. ETF and mutual fund securities, including units of the Guardian Capital ETFs, are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the Guardian Ultra-Short Canadian T-Bill Fund or the Guardian Ultra-Short U.S. T-Bill Fund will be able to maintain the net asset value per unit of the mutual fund units at a constant amount or that the full amount of your investment in these money market funds will be returned to you.
