### **Caution Concerning Forward-Looking Statements**

Certain information included in this press release constitutes forward-looking information within the meaning of applicable Canadian securities laws. All information other than statements of historical fact may be forward-looking information. Forward-looking information is often, but not always, identified by the use of forward-looking terminology such as “outlook”, “objective”, “may”, “will”, “would”, “expect”, “intend”, “estimate”, “anticipate”, “believe”, “should”, “plan”, “continue”, or similar expressions suggesting future outcomes or events or the negative thereof. Forward-looking information in this press release includes, but is not limited to, statements with respect to management’s beliefs, plans, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations. Such forward-looking information reflects management’s beliefs and is based on information currently available. Certain material factors and assumptions were applied in providing this forward-looking information. All forward-looking information in this press release is qualified by the following cautionary statements.

Although Guardian Capital LP believes that the expectations reflected in such forward-looking information are reasonable, such information involves known and unknown risks and uncertainties which may cause Guardian Capital LP’s actual performance and results in future periods to differ materially from any estimates or projections of future performance or results expressed or implied by such forward-looking information. Important factors that could cause actual results to differ materially include but are not limited to: general economic and market conditions, including interest rates, business competition, changes in government regulations or in tax laws, military conflicts in various parts of the world, the failure to satisfy any applicable stock exchange requirements, as well as those risk factors discussed or referred to in the Funds’ prospectus and the disclosure documents filed by Guardian Capital LP with the securities regulatory authorities in certain provinces and territories of Canada and available at [www.sedarplus.com](http://www.sedarplus.com). The reader is cautioned to consider these factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking information, as there can be no assurance that actual results will be consistent with such forward-looking information.

The forward-looking information contained in this press release is presented as of the preparation date of this press release and should not be relied upon as representing Guardian Capital LP’s views as of any date subsequent to the date of this press release. Guardian Capital LP undertakes no obligation, except as required by applicable law, to publicly update or revise any forward-looking information, whether as a result of new information, future events or otherwise.

This communication is intended for informational purposes only and does not constitute an offer to sell or the solicitation of an offer to purchase Guardian Capital Funds or Guardian Capital ETFs and is not, and should not be construed as, investment, tax, legal or accounting advice, and should not be relied upon in that regard. Commissions, management fees and expenses all may be associated with investments in Guardian Capital Funds or Guardian Capital ETFs. Please read the prospectus before investing. For exchange-traded funds (**ETFs**) and mutual funds other than money market funds, unit values change frequently. ETFs and mutual funds are not guaranteed and past performance may not be repeated. You will usually pay brokerage fees to your dealer if you purchase or sell units of an ETF on the Toronto Stock Exchange (**TSX**). If the units are purchased or sold on the TSX, investors may pay more than the current net asset value when buying units of the ETF and may receive less than the current net asset value when selling them. ETF and mutual fund securities are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the Guardian Ultra-Short Canadian T-Bill Fund or the Guardian Ultra-Short U.S. T-Bill Fund will be able to maintain the net asset value per unit of the mutual fund units at a constant amount or that the full amount of your investment in these money market funds will be returned to you.
