Guardian Capital LP Expands Lineup with New Series Launches

New ETF and mutual fund series provide greater access to key actively managed strategies

TORONTO, March 10, 2026 – Guardian Capital LP (“**Guardian Capital**”) is pleased to announce the launch of several new series offerings of the following funds:

Fund Name	New Series Launches		
	A	F	ETF
Guardian Canadian Equity Income Fund		✓	✓
Guardian Fundamental Global Equity Fund	✓	✓	✓
Guardian Short Duration Bond Fund			✓

Each of Guardian Canadian Equity Income Fund, Guardian Fundamental Global Equity Fund and Guardian Short Duration Bond Fund has closed its initial offering of ETF units, and the units are expected to commence trading on the Toronto Stock Exchange (“**TSX**”) when the market opens this morning. The new mutual fund series (Series A/F) of Guardian Canadian Equity Income Fund and Guardian Fundamental Global Equity Fund are also available for purchase effective immediately.

These new series launches represent a continuation of Guardian Capital’s ongoing effort to provide investors and their advisors with convenient access to our professional-managed investment mandates in various vehicle types that best suit their needs and preferences.

Additional details about the new series launches are set out in the table below:

Guardian Fund	New Series	Overview	Management Fee ¹	Administration Fee ¹	Distribution Frequency
Guardian Canadian Equity Income Fund	ETF Series (TSX: GCEI)	The principal objective of the Fund is the achievement of a high level of stable income, with an attractive total return, by investing primarily in Canadian dividend-paying equity securities, income trust units and other flow-through securities. The Fund may invest up to 20% of its market value in individual foreign equities that have either significant business operations in Canada or are listed on the TSX.	0.50%	0.18%	Income – quarterly Capital gains – annually
	Series F		0.50%	0.18%	
Guardian Fundamental Global Equity Fund	ETF Series (TSX: GFGE)	The primary objective of the Fund is to achieve long-term capital appreciation through investment in a portfolio of high quality equity or equity-related securities of issuers throughout the world.	0.60%	0.19%	Income – quarterly Capital gains – annually
	Series A		1.60%	0.19%	
	Series F		0.60%	0.19%	
Guardian Short Duration Bond Fund	ETF Series (TSX: GSDB)	The primary objective of the Fund is the provision of current interest income while at the same time preserving capital and seeking opportunities for capital appreciation, while maintaining relatively short portfolio duration, through investment in bonds, debentures, notes or other evidence of indebtedness. A maximum of 30% of the	0.30%	0.04%	Income – monthly Capital gains – annually

		Fund may be held in foreign denominated securities.			
¹ Plus applicable taxes.

Caution Concerning Forward-Looking Statements

Certain information included in this press release constitutes forward-looking information within the meaning of applicable Canadian securities laws. All information other than statements of historical fact may be forward-looking information. Forward-looking information is often, but not always, identified by the use of forward-looking terminology such as "outlook", "objective", "may", "will", "would", "expect", "intend", "estimate", "anticipate", "believe", "should", "plan", "continue", or similar expressions suggesting future outcomes or events or the negative thereof. Forward-looking information in this press release includes, but is not limited to, statements with respect to management's beliefs, plans, estimates, and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations. Such forward-looking information reflects management's beliefs and is based on information currently available. Certain material factors and assumptions were applied in providing this forward-looking information. All forward-looking information in this press release is qualified by the following cautionary statements.

Although Guardian Capital believes that the expectations reflected in such forward-looking information are reasonable, such information involves known and unknown risks and uncertainties which may cause actual performance and results in future periods to differ materially from any estimates or projections of future performance or results expressed or implied by such forward-looking information. Important factors that could cause actual results to differ materially include but are not limited to: general economic and market conditions, including interest rates, business competition, changes in government regulations or in tax laws, the outbreak and severity of pandemics, such as COVID 19, military conflicts in various parts of the world, the failure to satisfy any applicable stock

exchange requirements, as well as those risk factors discussed or referred to in the Guardian Funds' prospectus and the disclosure documents filed by Guardian Capital with the securities regulatory authorities in the provinces and territories of Canada and available at www.sedarplus.com. The reader is cautioned to consider these factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking information, as there can be no assurance that actual results will be consistent with such forward-looking information.

The forward-looking information contained in this press release is presented as of the preparation date of this press release and should not be relied upon as representing Guardian Capital's views as of any date subsequent to the date of this press release. Guardian Capital undertakes no obligation, except as required by applicable law, to publicly update or revise any forward-looking information, whether as a result of new information, future events or otherwise.

This communication is intended for informational purposes only and does not constitute an offer to sell or the solicitation of an offer to purchase Guardian Funds and is not, and should not be construed as, investment, tax, legal or accounting advice, and should not be relied upon in that regard. Commissions, management fees and expenses all may be associated with investments in Guardian Funds. Please read the prospectus before investing. ETFs and mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. You will usually pay brokerage fees to your dealer if you purchase or sell units of an ETF on the Toronto Stock Exchange. If the units are purchased or sold on the Toronto Stock Exchange, investors may pay more than the current net asset value when buying units of the ETF and may receive less than the current net asset value when selling them.
