

Sustainable Funds

Managed and offered by Guardian Capital LP*

Sustainable Income 100 Fund

The fund holds 100% income-producing securities to emphasize income generation and help preserve capital.

This solution may be suitable for you if:

- You are seeking investment income and capital preservation
- You are comfortable with low investment risk

Strategic Asset Allocation Targets¹

Income

84%

Primarily refers to investment income earned from bonds. These positions tend to be more conservative than equities, and therefore are better positioned to preserve capital.

Thematic ESG Assets

8%

Investment exposure in assets of either equities or fixed income that are directly focused on improving social or environmental sustainability, such as equities focused on clean energy or green bonds.

Liquid Alternatives

8%

Investment funds with exposure to equities or fixed income, whereby the portfolio manager is afforded considerable flexibility to utilize certain sophisticated investment tools such as derivatives and leverage, often as a way to manage volatility and/or enhance the level of income earned.

³The Morningstar® Sustainability RatingTM is intended to measure how well the issuing companies of the securities within a fund's portfolio are managing their environmental, social, and governance ("ESG") risks and opportunities relative to the fund's Morningstar category peers, and is updated monthly. The Morningstar Sustainability Rating is depicted by globe icons where 5 globes equals High ranking (lowest ESG Risk) and 1 globe equals Low ranking (highest ESG Risk) compared to category peers, based off each fund's Morningstar® Portfolio Sustainability ScoreTM. A Sustainability Rating is assigned to any fund that has more than half of its underlying assets receiving an ESG Risk Rating from Sustainalytics, and is within a Morningstar Category with at least 10 scored funds; therefore, the rating it is not limited to funds with explicit sustainable or responsible investment mandates. Please refer to <http://corporate1.morningstar.com/SustainableInvesting/> for more detailed information about the Morningstar Sustainability Rating and its calculation.
