Index returns are for information purposes only and do not represent actual strategy or fund performance. Index performance returns do not reflect the impact of management fees, transaction costs or expenses. This document includes information concerning financial markets that was developed at a particular point in time. This information is subject to change at any time, without notice, and without update. Investing involves risk. Equity markets are volatile and will increase and decrease in response to economic, political, regulatory and other developments. The risks and potential rewards are usually greater for small companies and companies located in emerging markets. Bond markets and fixed-income securities are sensitive to interest rate movements. Inflation, credit and default risks are all associated with fixed income securities. Diversification may not protect against market risk and loss of principal may result. This information is provided for educational purposes only and does not constitute investment, legal, accounting, tax advice or a recommendation to buy, sell or hold a security. Certain information contained in this document has been obtained from external parties which we believe to be reliable, however we cannot guarantee its accuracy. Guardian Capital LP is the Manager of the Guardian Funds. In addition to the Guardian Funds, Guardian Capital LP manages portfolios for defined benefit and defined contribution pension plans, insurance companies, foundations, endowments and third-party mutual funds. Guardian Capital LP is an indirect, wholly-owned subsidiary of Guardian Capital Group Limited, a publicly traded firm listed on the Toronto Stock Exchange.
