Guardian Capital Group Limited announces donation to The Calgary Foundation in support of Alberta flood relief efforts

Toronto, Ontario, July 10, 2013 – Guardian Capital Group Limited announced today that, following the recent heavy flooding in Calgary and Southern Alberta, it has made a donation of \$25,000 to The Calgary Foundation's Flood Rebuilding Fund, in support of Calgary and area charities in long-term community rebuilding efforts, including in the hardest hit areas of High River, Canmore and surrounding First Nation reserves. In addition to this donation, Guardian will match donations made by employees of Guardian or any of its subsidiaries, to a total additional amount of \$25,000.

"Guardian companies have been operating in Alberta for many years, and we are therefore aware of the resilience and spirit of its people. We are proud to support this spirit by making this donation, and hope that, by doing so, we will inspire others to also help, in the rebuilding effort that lies ahead for Alberta", commented Guardian's President and Chief Executive Officer, George Mavroudis.

Guardian Capital Group Limited is a diversified national financial services company headquartered in Toronto and founded in 1962. In Alberta, Guardian and its main operating subsidiaries have been providing the following services to clients for several years: Institutional investment management services, by Guardian Capital LP; Private client investment management services, by Guardian Capital Advisors LP; Mutual fund advisory services, by Worldsource Financial Management Inc.; Securities services, by Worldsource Securities Inc. and Life insurance distribution services, by IDC Worldsource Insurance Network Inc.
