

JOB TITLE: Web Developer
DEPARTMENT: Information Technology, Worldsource Wealth Management Inc. (“WWM”)
REPORT TO: Director, Business Systems and Development
LOCATION: Markham, ON & Toronto, ON

JOB STATEMENT:

This experienced individual will become a valued member of our team in both the Toronto and Markham locations. The Web Developer will be responsible for working alongside the Business Analysts and the Project Managers to ensure that all departments, business lines and vendor requirements are understood. This highly motivated and energetic candidate must work with the business as well as the I.T. department to ensure all requests are documented and prioritized.

ESSENTIAL FUNCTIONS:

- Working closely with multiple domains and websites for all business lines of the organization to support business needs;
- Analyzing, debugging and delivering clean, validated and maintainable code across all websites as well as ensuring integrity and quality control;
- Developing and implementing layouts/templates, mock ups and enhancements to both a test and a production environment;
- Ensuring projects are delivered on-time and to the highest possible standard while collaborating with internal project teams to understand the business and user requirements; and
- Recommending alternative solutions, raising project issues and risks as well as quality controls.

JOB SPECIFICATIONS:

- Post-secondary education in Web Design, Development and/or Java
- Minimum 5-7 years of experience in front-end website development
- 3+ years of experience within the investment industry
- Expertise in Java, Jaha, HTML5, CSS3, JavaScript/jQuery, JSTL/SP, Responsive Design and Content Management Systems (Open CMS, Joomla, Drupal)
- Expertise in working with Bootstrap and experience working with HTML templating languages
- Familiarity with JavaScript-related and CSS-related browser cross-browser compatibility issues
- Knowledge Web Accessibility (WCAG 2.0, 508 Compliance)
- Experience with Github, SVN repository, IntelliJ, Maven framework is considered an asset
- Experience working in SQL and Experience with Microsoft CRM Dynamics is considered an asset
- Strong Communication Skills (Oral and Written)
- Positive, energetic, “can-do” attitude and the ability to work amicably in a team
- Desire and ability to learn and improve on an ongoing basis, taking ownership of the product and the role

COMPENSATION:

Commensurate with experience

If you are interested in applying for this position, please forward a cover letter and resume in confidence to hr@worldsourcewealth.com.

Worldsource is committed to accessibility in employment and to ensuring equal access to employment opportunities for candidates, including persons with disabilities. In compliance with AODA, Worldsource will endeavour to provide reasonable accommodation to persons with disabilities in the recruitment process upon request. If you are selected for an interview and you require accommodation due to disability during the recruitment process, please notify the hiring manager upon scheduling your interview.

We thank all applicants for their interest but only those selected for an interview will be contacted.
