Guardian Capital LP (Guardian Capital) is proud to announce Fundata Canada Inc. has again recognized one of its mutual funds: the Guardian Fundamental Global Equity Fund (the “Fund”) has been awarded the prestigious FundGrade™ A+ award in 2020. FundGrade A+® identifies the best performing and most consistent funds within each CIFSC category. Ultimately, the award recognizes the ‘best of the best’ among Canadian investment funds that maintain a high FundGrade rating throughout the calendar year.

The strategy represents one of Guardian’s suite of concentrated high-conviction strategies, which aims to provide sustained long-term alpha and strong downside protection. The Fund adheres to the ethos of staying true to your convictions, managing this through time-tested strategies that reflect and exhibit complete confidence in a controlled number of holdings.

The Guardian Fundamental Global Equity Fund invests in a concentrated global equity portfolio of high-quality, sustainable growth stocks at reasonable valuations, held over long periods. Guardian Capital’s UK-based affiliate, GuardCap Asset Management Limited, is the portfolio manager the Fund.

The award further validates the results of the Fund’s investment process and philosophy, relative to its peers. Guardian Capital congratulates the Fundamental Global Equity investment team on this well-deserved achievement.

FUNDGRADE A+®
ACHIEVED FOR THE YEAR 2020

FundGrade A+® is used with permission from Fundata Canada Inc., all rights reserved. The annual FundGrade A+® Awards are presented by Fundata Canada Inc. to recognize the “best of the best” among Canadian investment funds. The FundGrade A+® calculation is supplemental to the monthly FundGrade ratings and is calculated at the end of each calendar year. The FundGrade rating system evaluates funds based on their risk-adjusted performance, measured by Sharpe Ratio, Sortino Ratio, and Information Ratio. The score for each ratio is calculated individually, covering all time periods from 2 to 10 years. The scores are then weighted equally in calculating a monthly FundGrade. The top 10% of funds earn an A Grade; the next 20% of funds earn a B Grade; the next 40% of funds earn a C Grade; the next 20% of funds receive a D Grade; and the lowest 10% of funds receive an E Grade. To be eligible, a fund must have received a FundGrade rating every month in the previous year. The FundGrade A+® uses a GPA-style calculation, where each monthly FundGrade from “A” to “E” receives a score from 4 to 0, respectively. A fund’s average score for the year determines its GPA. Any fund with a GPA of 3.5 or greater is awarded a FundGrade A+® Award. For more information, see www.FundGradeAwards.com. The Fund-Grade A+® rating identifies funds that have consistently demonstrated the best risk-adjusted returns throughout an entire calendar year. FundGrade Ratings are subject to change every month.
